Monitors	Keith Glenn / Margaret Gregor					Work Order #42	

Description of Work To Be Performed

The following is the current schedule of activities and anticipated completion dates. Any circumstances that may alter the dates further should be discussed with the OSC.

- Monitor the subcontractors and ensure appropriate payments for disposal of wastes.
- Provide certificate of destruction forms when submitted.
- Complete the final report documenting waste removal.
- Award the disposal sub-contract for T&D of approximately 150 yd3 of material.
- Facilitate the removal of all stock-piled soil by September 30, 2014.

Continue to provide OSC with 1900-55's, off-site hour reports, and daily activity reports. **Draft 1900-55s shall be delayed no more than 2 weeks of services.**

Follow Region 2 Green policies to include recycling of paper waste. Follow recommendations outlined in Region 2 *Clean and Green Policy*. This includes authorization for additional electrical charges which are supplemented by alternative energy sources.

Ensure the Health and Safety of all Kemron personnel on-site.

I certify that the above work is ordered and authorized in the performance of the above cited Task Order.

I acknowledge receipt of this work order.
